

GIN 90 SERIES

FREESTANDING FIRE TABLES

Elegance, function and carefully conceived features combine to create a stunning focal point in the multi-functional Gin 90 Series of fire pit tables. Perfect for entertaining – whether in the home, hospitality or commercial setting – simply choose your preferred height (Low, Chat, Dining or Bar) and finish (Teak or Fluid Concrete) to complement your space and lifestyle and enjoy!

Finish

Available in a variety of Fluid concrete colours or Natural Teak finish.

Concrete Surround Options

Teak Surround Option

Relocate With Ease

Bioethanol fireplaces relocate with ease, and this portability is greatly enhanced by the self contained engineering of the EcoSmart system. There is no need for a utility connection, which means you can transform the look and feel of your indoor¹ or outdoor area when desired.

Global Compliance

This model complies with existing standards in the USA, Europe, UK and Australia. UL Listed, EN 16647 BSI Certified ACCC Safety Mandate compliant.

To comply with EN 16647 the Indoor Safety Tray must be installed before operating indoors.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

Quick and Easy

With no installation or building works required, simply unpack, put into position, and off you go.

Versatile and Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

Included Accessories

Optional Accessories
